### Order

9/17/94-HD(G)/Part./652

Subject: Issuance of General Guidelines to consider the cases for the premature

release of life convicts Prisoners by the State Sentence Review Board of Goa.

In exercise of the powers conferred under sections 432 read with section 433 and 433A of the Criminal Procedure Code, 1973, Government of Goa hereby frames the following general guidelines to consider the cases for the premature release of life convicts prisoners by the State Sentence Review Board of Goa, namely:—

General Guidelines for the State Sentence Review Board in View of Sub-Rule (8) of Rule 1245 of Goa Prisons Rules, 2021

- 1. Every convicted prisoner whether male or female undergoing life imprisonment sentence and covered under provision of Section 433-A of CrPC shall be eligible to be considered for premature release from the prison after serving the sentence of 14 years of actual imprisonment i.e. without remission. However, completion of 14 years in prison by itself would not entitle a life convict to automatically release from the prison and the State Sentence Review Board shall have the discretion to release a convict, at an appropriate time in all cases considering the circumstance in which the crime was committed and other relevant factors.
- 2. The State Sentence Review Board shall consider factors like: (a) Whether the convict

has lost his potential for committing crime considering his overall conduct in Jail during the 14 years of actual incarceration; (b) The possibility of reclaiming the convict as a useful member of the society; (c) Socio-economic condition of the convict's family.

- 3. These guidelines are for the guidance of State Sentence Review Board to arrive at a logical decision in premature release of prisoners undergoing life sentence from time to time.
- 4. The period of imprisonment to be undergone including remission subject to minimum years of actual imprisonment including set off period for various crimes shall be as specified in column No. 3 of Schedule-I and column No. 4 of Schedule-II below:—
